ROBO FORCE.

In the distant future, evil scientists create the ultimate threat to the human race: a terrorist band of robot warriors led by the fearsome Hun-Dred the Conqueror.

Enter the heroic Robo Force, a team of specialized warrior robots. From their home base, the Fortress of Steele, on the planet Zeton, mighty Maxx Steele commands the Robo Force in their battle against the forces of chaos and evil that constantly threaten humanity.

A-G Robo Force™ warrior robot figures each feature push-button activated crusher arms, suction gripper base and a 360° swivel waist. Each robot has a different set of detachable, interchangeable weaponry, conceal-and-reveal warrior gadgetry, hidden compartments and working accessories.

Ages: 4 and up.

K Dred Crawler™ evil robot action attack vehicle has the same "Air Bot" activation system found on the Robocruiser (J). "Air Bot" pumps up a balloon which starts motor and causes periscope to rise, indicating fuel status. Features a working pincer attack claw and laser swivel cannons. Holds any one Robo Force robot (not included). 2 "AA" batteries required (not included, order from page 490).

Ages: 4 and up.

48 G 62854—Ship. wt. 1 lb. 2 oz. 12.99

L Save \$40 through December 3 on Maxx Steele™ . . . more than a toy—he's a programmable robot that can walk, talk, play games and much more. He's almost human! Unsnap the hand-held master controller from the top of his head and you control him. Maxx has a fully articulated, motorized grasping/twisting claw (see small view, far left). Strong moving/lifting arms plus an electronic computer brain and storage compartments.

His wireless remote control, programmable memory and unique teaching mode enable you to program a sequence of actions which Maxx will perform again and again—from memory. He speaks 140 words, plays music, and tells the time. Electronic alarm feature allows Maxx to activate at a pre-determined time. He can play two games: "Moon Ball" (see small view, near left) and "Force Field". Maxx comes with an easy-to-follow instruction manual and a built-in rechargeable battery pack.

Ages: 8 and up.

Order now for delivery after October 1, 1984.

A Save \$25 through December 3 on Omnibot™, the personal robot of the future here today! Imagine Omnibot entering the room carrying a tray of refreshments and serving your friends, entertaining them with a song and then retiring discreetly to the kitchen. He can be programmed to do this and much more through his on-board computer, using his remote controller from memory.

He moves forward and backward, turns right and left, has a manual grasping hand, and carries objects on his own detachable tray. Omnibot can remember up to 7 different programs which you design, and you can set his on-board clock to start a program any time you select. He "speaks" through his on-board cassette player/recorder or via remote microphone. Cassette unit accepts all standard cassette tapes.

Built-in rechargeable battery and recharging unit. Also requires 8 "AA" batteries and 1 watch battery (not included, order from page 490). Includes demonstration tape and instruction manual. Ages: 9 and up.

48 LT 62870—Wt. 10 lbs. thru Dec. 3, 224.99
You pay 249.99 after December 3, 1984.

B Save \$5 through December 3 on Verbot™, the amazing voice-activated robot who responds only to your verbal commands, delivered via his wireless remote microphone. He possesses an incredible memory and can perform eight separate functions: moves forward, moves backward, turns left, turns right, picks up and carries objects, sets down objects, stops, and smiles (eyes light up). Just program him to respond to your voice.

Requires one 9-volt battery and 4 "AA" batteries (not included, order from page 490). Ages: 6 and up.

48 LT 62871—Wt. 3 lbs. 5 oz. thru Dec. 3, 49.99
You pay 54.99 after December 3, 1984.

C Watch out for Dingbot™ when you turn him loose! This charming, slightly confused robot will delight the whole family as he wanders around the house, bumps into objects, chatters quizzically and moves on. With his street map in hand, only he appears to know where he is headed. Dingbot will amuse children and adults alike.

Requires one "AA" battery (not included, order from page 490). Ages: 4 and up.

From the planet GoBotron, in a distant galaxy, come the GoBots—an advanced robot race who disguise themselves as Earth vehicles to escape detection

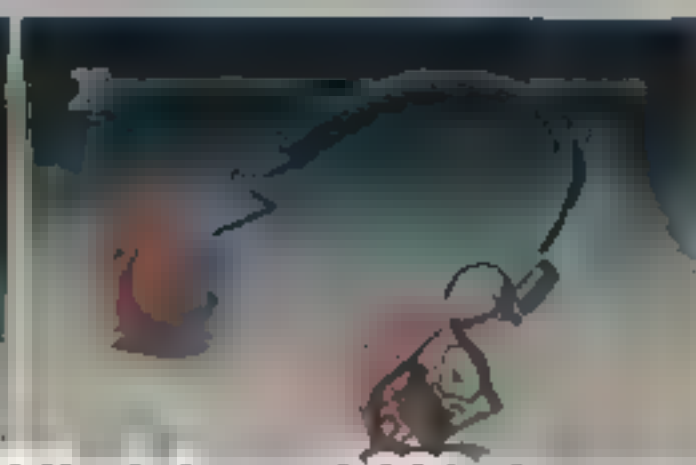

The Enemy GoBots, commanded by the evil Cy-Kill, have come to take over this planet. But the Friendly GoBots, led by Leader-1, intend to crush Cy-Kill and his followers.

Incredibly powerful and intelligent robots from a far-away, war-torn planet have landed on Earth—they are The Transformers!

Able to transform themselves into awesome weapons, then back to robots again, the heroic Autobots wage their battle to destroy the evil forces of the Decepticons.

Transformers, more than meets the eye—robots in disguise.

A GoBot™ Command Center is the friendly Gobots mobile fortress that turns into a vehicle and a spaceship. Friendly GoBots are maintained and refueled here. Enemy GoBots are identified by chromatic scanners, imprisoned and deactivated. Command Center has 5 work stations which can be reached by remote control elevator, revolving head with LED eyes plus battle alarm. Doubles as a portable storage case that holds up to 12 GoBots. Requires one 9-volt battery (not incl.). 48 G 62865—Ages: 5 and up. Ship. wt. 2 lbs. 8 oz. 20.99

B Zed™ monster is the enemy Gobots' ultimate foe. He lurches, rolls forward, stands up and roars, trampling on any Friendly GoBots foolhardy enough to oppose him. He can only be deactivated by poking him in his nerve center with a lance (included). He has moveable shoulders and a hinged jaw. Requires three "C" batteries (not included). 48 G 62863—Ages: 5 and up. Ship. wt. 1 lb. 4 oz. 16.44

C-E Friendly GoBot team includes three GoBots that you can change from robots to vehicles! Each stands 3¾ in. high. (C) Road Ranger™ long haul robot truck is the powerhouse of the team. His awesome strength menaces Enemy GoBots. (D) Leader-1™ commands the GoBot team, directing operations in the air as a fighter jet and on land as a powerful robot. (E) Turbo™ is the robot race car and is Leader-1's right hand GoBot. 48 62866—Set of 3 Friendly GoBots. Ship. wt. 4 oz. set 11.44

MR. T

THE A-TEAM

Soldiers of fortune,
living on the edge...

Hannibal Smith,
Murdock, Face and
B. A. Baracus,
played by Mr. T --
wrongly imprisoned
by a military court
for a crime they
didn't commit.

Busted out and on
the run, taking on
daring missions to
help the underdog...

Heroes aren't so hard
to find anymore --
when trouble strikes,
call on the A-Team!

In an enchanted, secret Cabbage Patch, busy little BunnyBees buzz about lovingly sprinkling budding cabbages with magical crystals that turn them into Cabbage Patch Kids.

A new harvest of Kids has just arrived at Babyland General Hospital, along with their new found friends, the 'Koosas. These cuddly little creatures were cared for by the Kids when they lost their home in Wykooza Valley during the big flood.

Won't you give a home to a Cabbage Patch Kid, Premie or 'Koosa and fill a little heart with love?

A Save \$2 on your Cabbage Patch Kid™ "adoption fee" when you purchase our 12-pc. wardrobe (E), sold separately below. Won't you fulfill the dream of a Cabbage Patch Kid by giving him or her a special place in your heart and home?

When you send in your "adoption fee," specify your preference for a black or white, boy or girl. The folks at Babyland General® Hospital will select and send along just the right Kid™, an authentic birth certificate, personality profile and official adoption papers.

Each cuddly little toddler is 16 inches tall with molded vinyl head (most have rooted yarn hair, some have none), soft-sculptured fabric body, ■ chubby fingers and toes, dimpled elbows and knees, a belly button and authentic Xavier Roberts® signature birthmark on its bottom. Each is dressed in special toddler clothes, shoes and disposable diaper.

Mail ■ adoption papers to Babyland General® Certification Center and receive a congratulatory note . . . and one year later, a birthday card! Ages 3 and up.

Welcome to Eternia
—a universe beyond
all time.

Here heroic forces
led by He-Man
defend the power of
the universe from
the clutches of evil.
Wicked Skeletor
plots against the
Heroic Warriors to
destroy Castle
Grayskull and gain
control of all Eternia.

Who will be the
Master of the
Universe?

On moving day, a little girl sat crying in her garden because she was leaving her "make-believe friends", the flowers.

Her teardrops, however, brought Rose-Petal Place to life. A merry band of little creatures have made it their home, full of music and laughter. Rose-Petal protects the garden from Nastina, the wicked spider, who wants Rose-Petal Place all to herself!

A-F Meet Rose-Petal™ and her happy flower friends! Each wears brilliantly colored, removable dress with matching purse and comb. Headpiece has teardrop jewel. Each doll comes with posing stand, combed rooted hair. About 5 1/4 in. H. Ages: 4 and up.

(A) Rose-Petal™, pretty and talented, is the star of the garden. She has a sweet personality and a beautiful singing voice.

48 B 10668—Ship. wt. 1 lb. 2 oz. 6.97

(B) Sunny Sunflower™, Rose-Petal's best friend. She's a bit tomboyish and outspoken, just the opposite of Rose-Petal. But, isn't that the case with most best friends?

48 G 10669—Ship. wt. 1 lb. 2 oz. 6.97

(C) Daffodil™ is the business whiz of the garden. She runs the Bouquet Boutique™ and she's always on the go!

48 G 10672—Ship. wt. 1 lb. 2 oz. 6.97

(D) Lily Fair™, the aspiring ballet star. She practices day and night while the others are fast asleep.

48 G 10670—Ship. wt. 1 lb. 2 oz. 6.97

(E) Orchid™ is the status seeker of the group. Clad in designer outfit, her motto is "When the going gets tough, the tough go shopping".

48 G 10671—Ship. wt. 1 lb. 2 oz. 6.97

(F) Iris™, the shy, artistic flower friend. She's always trying to paint a still-life of the flowers—but they won't sit still long enough!

48 G 10673—Ship. wt. 1 lb. 2 oz. 6.97

G Beware! It's Nastina™, the evil spider. Her only wish is to be as beautiful as the other flower dolls. "Green with envy," Nastina spends her time playing cruel tricks on Rose-Petal and her friends. Nastina hangs from an elastic cord, her eight-limbed body bobs up and down by simply pressing a lever. About 8 in. high.

48 G 10375—Ages: 4 and up. Ship. wt. 1 lb. 12 oz. 11.97

H Rose-Petal Roadster™ Racy-looking and ready to roll with your favorite Rose-Petal Place dolls. Rosebud front grill, rose-colored windshield, gold headlights and a rumble seat. Press the horn and hear Rose-Petal's song from an electronic music box. Teardrop jewel hood ornament. About 11 1/2 in. long. Requires one "AA" battery (not included; order from page 490). Dolls sold separately.

48 G 11673—Ages: 4 and up. Ship. wt. 1 lb. 11 oz. 12.97

Vitamaster multi-action gym

Save yourself the time and expense of joining an expensive health club. Perform a version of all the basic exercises done at the health club—all on this one piece of equipment! Use as a vertical multi-action gym or remove padded backrest for use as a rowing machine.

In the horizontal position, system lets you row the standard way using both arms in unison. Or, you may do an alternate version (top left inset), pulling with one arm and pushing with the other. Rowing exercises back and biceps. In the vertical position, machine duplicates the standard seated press movement (top middle inset) to develop shoulders. Many other exercises include those beneficial for legs, back, biceps and upper back shoulders.

Dual hydraulic cylinders easily adjust for low, medium or high settings, allowing each arm to be exercised independently and with different tensions. Adjustable telescoping frame. Comfort cushion seat mounted on heavy nylon rollers. Molded footrest with adjustable nylon straps gives smooth rowing action. Welded tubular steel frame.

A The Officer and the Gentleman: detailed, ornate replicas of two important Remington hand guns of the 1800's. The full-size, Model 1858 Remington Army Revolver experienced battle as well as frontier use. Fortunate, indeed, was the officer who had this superior .44-caliber field piece at his side. The traveling gentleman of that period carried the compact, Remington on his river or overland trips. The lightweight, .31-caliber five-shot revolver could be easily concealed in a pocket or cuff and was most valuable in close-range situations. Both the Officer and the Gentleman commemorate the men they served and their place in history. The Officer has an 8-inch octagonal barrel, fires 6 rounds, and is nickel and gold plated. The Gentleman has a 4-inch octagonal barrel, fires 5 rounds, and also is nickel and gold-plated. Set includes both finished handguns pecked in a velvet-lined rose-wood display case.

C-I Scrimshaw, the art of etching and carving whale's teeth and other pieces of ivory and bone, originated in New Bedford, Massachusetts in the early 1700's. The men who sailed from the ports in search of whales often had to endure long and tedious voyages, some lasting as long as six years. During these trips, they carved and etched designs on ivory pieces available to them. New Bedford native artisans have kept this craft alive. Designs may vary slightly. Each item is signed by the artist.

LAST DATE TO ORDER

You can order toys from this catalog (while quantities last) until June 29, 1985. All other offerings will expire upon issuance of our 1985 Spring & Summer Big Book unless otherwise stated.

'84 Christmas

It's easy to shop from our catalog

Shop by phone If you live near a Montgomery Ward Store or Agency, this is the fastest way to order. You'll find our number in your local directory under Montgomery Ward. When calling, please have all pertinent ordering information handy: your credit card number, complete catalog number, page number where item is found, correct delivery address, etc.

Shop by mail We've made mail order shopping more convenient than ever! Just fill out the order form on page 499 and return it in the attached postage-paid envelope. You'll receive a new order form with each purchase.

Shop in person You can place an order in person at the Catalog Desk in most Montgomery Ward Stores or Sales Agencies.

In most cases, your order will be processed and on its way within 24 hours after we receive it. There are two kinds of delivery:

Home delivery Have your purchases delivered directly to your home, to a friend's home, even to your office. It's easy to determine charges; just follow the instructions on page 498.

Store delivery If you prefer, have your purchases shipped to a Catalog Desk in most Montgomery Ward Stores or Agencies. You pay delivery charges to the Catalog Desk (these charges are usually less than home delivery charges). Ask your salesperson for an estimate of these charges (the rates shown on page 498 do not apply to store delivery).

Send a gift across the street or across the country!

We can ship your order anywhere in the United States. This makes sending gifts to friends and family especially easy. Just tell us where you want your order sent and we'll take care of the rest. We'll ship your order from the Merchandise Distribution Center closest to the destination—and that can help speed delivery!

Montgomery Ward can also ship your order to APO-FPO addresses and many foreign countries. For more information about these shipments, write to the Montgomery Ward Distribution Center closest to you (see addresses on the next page).

Gift certificates make gift-giving easy

A Montgomery Ward gift certificate is the perfect gift for any occasion. Even fussy people and those who "have everything" can find something they want from the thousands of items we sell. Gift certificates can be used nationwide in any of our stores—and for shopping from any of our catalogs.

They come in amounts of \$1, \$5, \$10, \$25, and \$50 and are easy to buy—just tell your salesperson you want one. If ordering by mail, write "Gift Certificate" and the dollar amount in the "Item" column of our postage-paid order form on page 499.

Warranty and energy information

Certain items in this catalog are covered by a warranty. If you want a free copy of the warranty, write to Montgomery Ward, WARRANTY INFORMATION, at the address of the Distribution Center closest to you (see pg. 498). Be sure to clearly identify the item by name and catalog number.

For additional energy information concerning refrigerators, freezers, clothes washers, dish washers, water heaters, furnaces, and room air conditioners, send the name and complete catalog number of the item to: Energy Guide Department, c/o Customer Relations manager (4-N), Montgomery Ward Plaza, Chicago, IL 60671.

Monthly credit terms information

The addition of taxes (if any) and shipping and handling to the purchase price may raise the monthly payment amount. Arizona, New Mexico, and Oregon residents: your monthly payments are determined in a different manner. Contact your Montgomery Ward Credit Department for further information.

Keep getting our catalogs

The best way to stay on our catalog mailing list is to order from us regularly. If different members of your household order from us, just be sure the orders are always placed under the same name.

Shop early for the best selection!

It's fun to browse through our Christmas Catalog, but as soon as you make your selections, place your order! Many people shop our catalog at this time of year and, though we try to accommodate all of our customers, we sometimes run out of certain items. So if you're planning to place an

order close to the holiday or thinking of ordering a "hot" toy such as Cabbage Patch™ or Rainbow Brite™, do it now! You'll avoid the last minute shopping rush and you could qualify for a money-saving bonus (see details on the special insert sheet).

One-step home delivery rates—no guesswork!

Prices in this catalog do not include charges for shipping and handling to your home or to our Store unless otherwise stated. For as little as \$1.35 and for no more than \$5.00, you can have your mailable purchases delivered to your home, to a friend's, even to your office regardless of the total dollar value and shipping weight of your mailable items!

MAILABLE ITEMS are usually small and lightweight. They can be shipped almost anywhere in the United States via UPS (United Parcel Service) or USPS (United States Postal Service). An item is mailable if there is not an "R", "F" or "Y" at the end of the catalog number (alone or in combination with other letters). Add up the individual selling prices of all the mailable items in your order and find the corresponding charge in the table below.

If the total value of your mailable merchandise is *	Your home delivery and handling charge is
Up to 9.99	\$1.35
10.00 to 19.99	1.65
20.00 to 29.99	2.25
30.00 to 39.99	2.75
40.00 to 49.99	3.25
50.00 to 75.00	4.00
75.01 and Up	5.00

*Do not include items identified as "prepaid." These rates do not apply to items shipped to Alaska, Hawaii or export. Contact us for an estimate of those charges. All rates subject to change without notice.

Home delivery and handling charges for mailable and non-mailable items are figured separately. The rate schedules below are based on a composite of all orders processed through our nationwide Distribution Centers and apply the current UPS, USPS and freight rates for delivery within the continental United States and to APO/FPO locations.

NON-MAILABLE ITEMS are usually heavy and/or bulky and usually shipped via public (non-Montgomery Ward) truck lines. Some public truck lines will not make delivery inside your home but rather, at a point near your home such as at the curb or the driveway. An item is non-mailable if the catalog number ends with an "R", "F" or "Y" (alone or in combination with other letters) as in this example: S 61 G 92125 R. Add up the shipping weights of all non-mailable items in your order (count extra ounces as a full lb.) and find the corresponding charge in the table below.

If the total weight of your non-mailable merchandise is *	Your home delivery and handling charge is

Delivery time information

In most cases, we process and ship an order within 24 hours after we receive the order. Some items are transferred from another Merchandise Distribution Center and may require a longer delivery time than normal. In such cases, we specify the approximate amount of time it will take for delivery on the page where we sell the item. We'll make every effort to deliver your purchase within the stated time, but sometimes it may require up to 30 days for shipment.

Some items are shipped directly from a factory to your home or to your local Montgomery Ward Store. If the catalog description of the item does not give the location of the factory, you pay the shipping and handling charges from the Merchandise Distribution Center closest to you (addresses below). If the location of the factory is given, you pay the shipping and handling charges from that location.

About returns and customer service

To return an item by mail, enclose all papers received with your order and a note that tells us why you are returning the item and whether you want a refund, exchange, or credit to your account. If you want a credit, tell us the type of charge (Montgomery Ward, Visa or MasterCard). Send the package to the Merchandise Distribution Center closest to you (addresses at right). We will refund or credit any return postage you pay. You can also return merchandise by bringing it to the catalog desk in most Montgomery Ward Stores and Sales Agencies.

If you have comments or questions about your order, call your nearest Montgomery Ward Store or Sales Agency (our number is in your local directory—no collect calls accepted) or write to the Distribution Center closest to you.

Satisfaction guaranteed

At Montgomery Ward, we believe a loyal customer is more important than an individual sale... we want to keep you satisfied so you'll keep coming back!

If, when you receive your purchase, you find that it is not completely satisfactory, return it. We will gladly exchange it, or if you prefer, refund the price and transportation and handling charges* you paid.

*Within continental United States.

If, after you have used your purchase, you find that it is not completely satisfactory, simply let us know what is wrong. We will strive to assure your satisfaction by means of our special warranties or make an adjustment in cash, credit, exchange or repair.

1.5-cu. ft. microwave has Temperature Probe for accurate cooking

- Four power levels—match cooking power to every recipe!
- 2-stage cooking lets you preset oven for 2 different operations!

1.5-cu. ft. full-size microwave features solid-state touch controls for accuracy and long life. Temperature Probe makes your meats and poultry come out just the way you plan them. It's simple too—just insert probe, set, and oven cooks food to the desired internal temperature. Oven shuts off so ■ never overcooks! Imagine your next roast beef or chicken—cooked to juicy perfection in a fraction of the time it normally takes! Cook up to 3 different foods at once with the Complete Meal cooking rack—they'll all be hot, ready to serve at the same time! Woodgrain-look cabinet is compact—but the oven interior is full-size. Fits easily under most kitchen cabinets—only about 15 in. high. Four different convenient power levels for matching the oven's power to whatever the recipe calls for.

Power levels include: High, Medium High, Medium and Medium/Low/Defrost. Digital display shows temperature (when used with probe), time remaining (when cooking), and time of day when oven is not in use.

2-stage cooking allows you to preset two different cooking operations—when one ■ complete, it automatically shifts on into the next preprogrammed function. Just set the oven and go! Comes with "Adventures in Microwave Cooking," and Complete Meal Guide. Includes removable glass oven tray for easy cleanup.

Cabinet is about 15 in. high x 25 in. wide x 18 in. deep. Oven was 409.95 in our '84 Fall Big Book, page 723. Write for a free copy ■ Warranty, see page 497. UL listed.

1.5-cu. ft. microwave/convection oven features
Combination Automatic Temperature Probe

'Tis the season to treat someone special (even
yourself!) with the magic of microwave/convection
cooking with solid-state touch controls and Combi-
nation Automatic Temperature Probe. This oven is
the ultimate in speed and versatility—cook quickly
with energy and time-efficient microwaves, use
fan-forced convection heat to crisp and brown, or a
combination of the two (see diagram).

When those hectic holiday dinners roll around, our
microwave/convection oven will make your roast
goose juicy inside, crisp and brown outside in a
fraction of the normal time—because the last place
you want to be is standing over a hot oven.

Solid-state touch controls offer easy programming
and long life. With Combination Automatic Temper-
ature Probe, you simply choose the desired degree
of doneness, enter the kind of meat being

cooked, insert probe, and touch "Start." Oven auto-
matically chooses correct time and combination tem-
perature settings with a touch of a button!

Complete Meal Cooking rack lets you cook up to 4
foods at once—serve everything together! Choose
from 5 different microwave powers, convection tem-
peratures range from 120°F to 450°F. 4-stage cooking
lets you preset the oven to go from one stage to
another automatically! Delay start will turn oven on
automatically up to 24 hours later.

700 watts maximum microwave cooking power. Wal-
nut-grain look cabinet is about 25 in. wide x 24 in.

What does an "Automatic Sensor" do?

Our oven with "Automatic Sensor" is the most automatic oven we sell. There's no need to input time, or power—sensor automatically computes time and power level, automatically adjusts time in relation to the amount of food being cooked. This happens when the oven interprets the atmosphere inside the oven, notes aroma emitted from food during cooking, and adjusts controls accordingly. Truly a work-saving feature!

Commodore Plus/4 has 4 valuable programs built-in

- Built-in Word Processing, File Management, Spreadsheet and Graphics programs
- 64K memory and built-in extended BASIC programming language

A The Commodore Plus/4 is the newest addition to the Commodore computer line. Comes complete with four programs built-in: Word Processing, File Management, Spreadsheet and Graphics. All are integrated for ease and usability.

Built-in Word Processing allows you to write letters, reports, student papers and more without any additional software. Best of all, it's integrated with the built-in spreadsheet, so calculation sheets can be included in your written report.

The File Manager allows you to collect, store, organize and retrieve information such as mailing lists, inventories, personal files, business files and more. Integrated to work with the Word Processor. The Plus/4's Spreadsheet automatically performs complicated calculations and projections... at the touch of a key! Ideal for home or business budgeting, loan/mortgage charts,

income tax records... or design your own use. Integrated to work with the Word Processor.

Built-in Graphics program is integrated with the Spreadsheet so you can visually display and evaluate your calculations. Plus 4 graphics make it easy to draw circles, boxes and complex shapes and combine them with the text on the screen.

Plus 4 home computer has 64K RAM memory with 60K RAM user accessible. Includes four cursor control keys, "Help" key and color control keys. Four programmed/reprogrammable function keys. 40 columns x 25 lines of text display. 16 text colors and all PET graphic characters. Manufacturer's Warranty.**

Not available until October 15, 1984.

Commodore SX64 transportable personal computer

- 64K RAM memory with built-in BASIC
- Built-in single disk drive
- Built-in 5-inch color monitor
- Full-size/full-stroke keyboard

B Commodore SX64 includes a built-in color monitor, disk drive and is fully compatible with all Commodore software (order on pages 518, 520). A great space-saver that takes up much less room than a traditional Commodore system.

The SX64 features 64K RAM standard. The front panel lifts off to expose the full-size/full-stroke keyboard with 56 total keys including 4 function keys (up to 8 possible functions) and 2 cursor keys. Has upper and lower case letters, numerals and symbols. 3 independent voices, each with a range of 9 octaves, capable of full music synthesis. 16 colors and all PET graphic characters.

Built-in 5-inch diagonal color monitor with 40 columns x 25 lines of text display and 320-by-200-dot display doesn't tie up the TV in your home. Has side panel monitor controls including volume, contrast, bright-

ness and color. Built-in single disk drive uses standard 5 1/4-inch floppy diskettes, each capable of storing 174,000 characters.

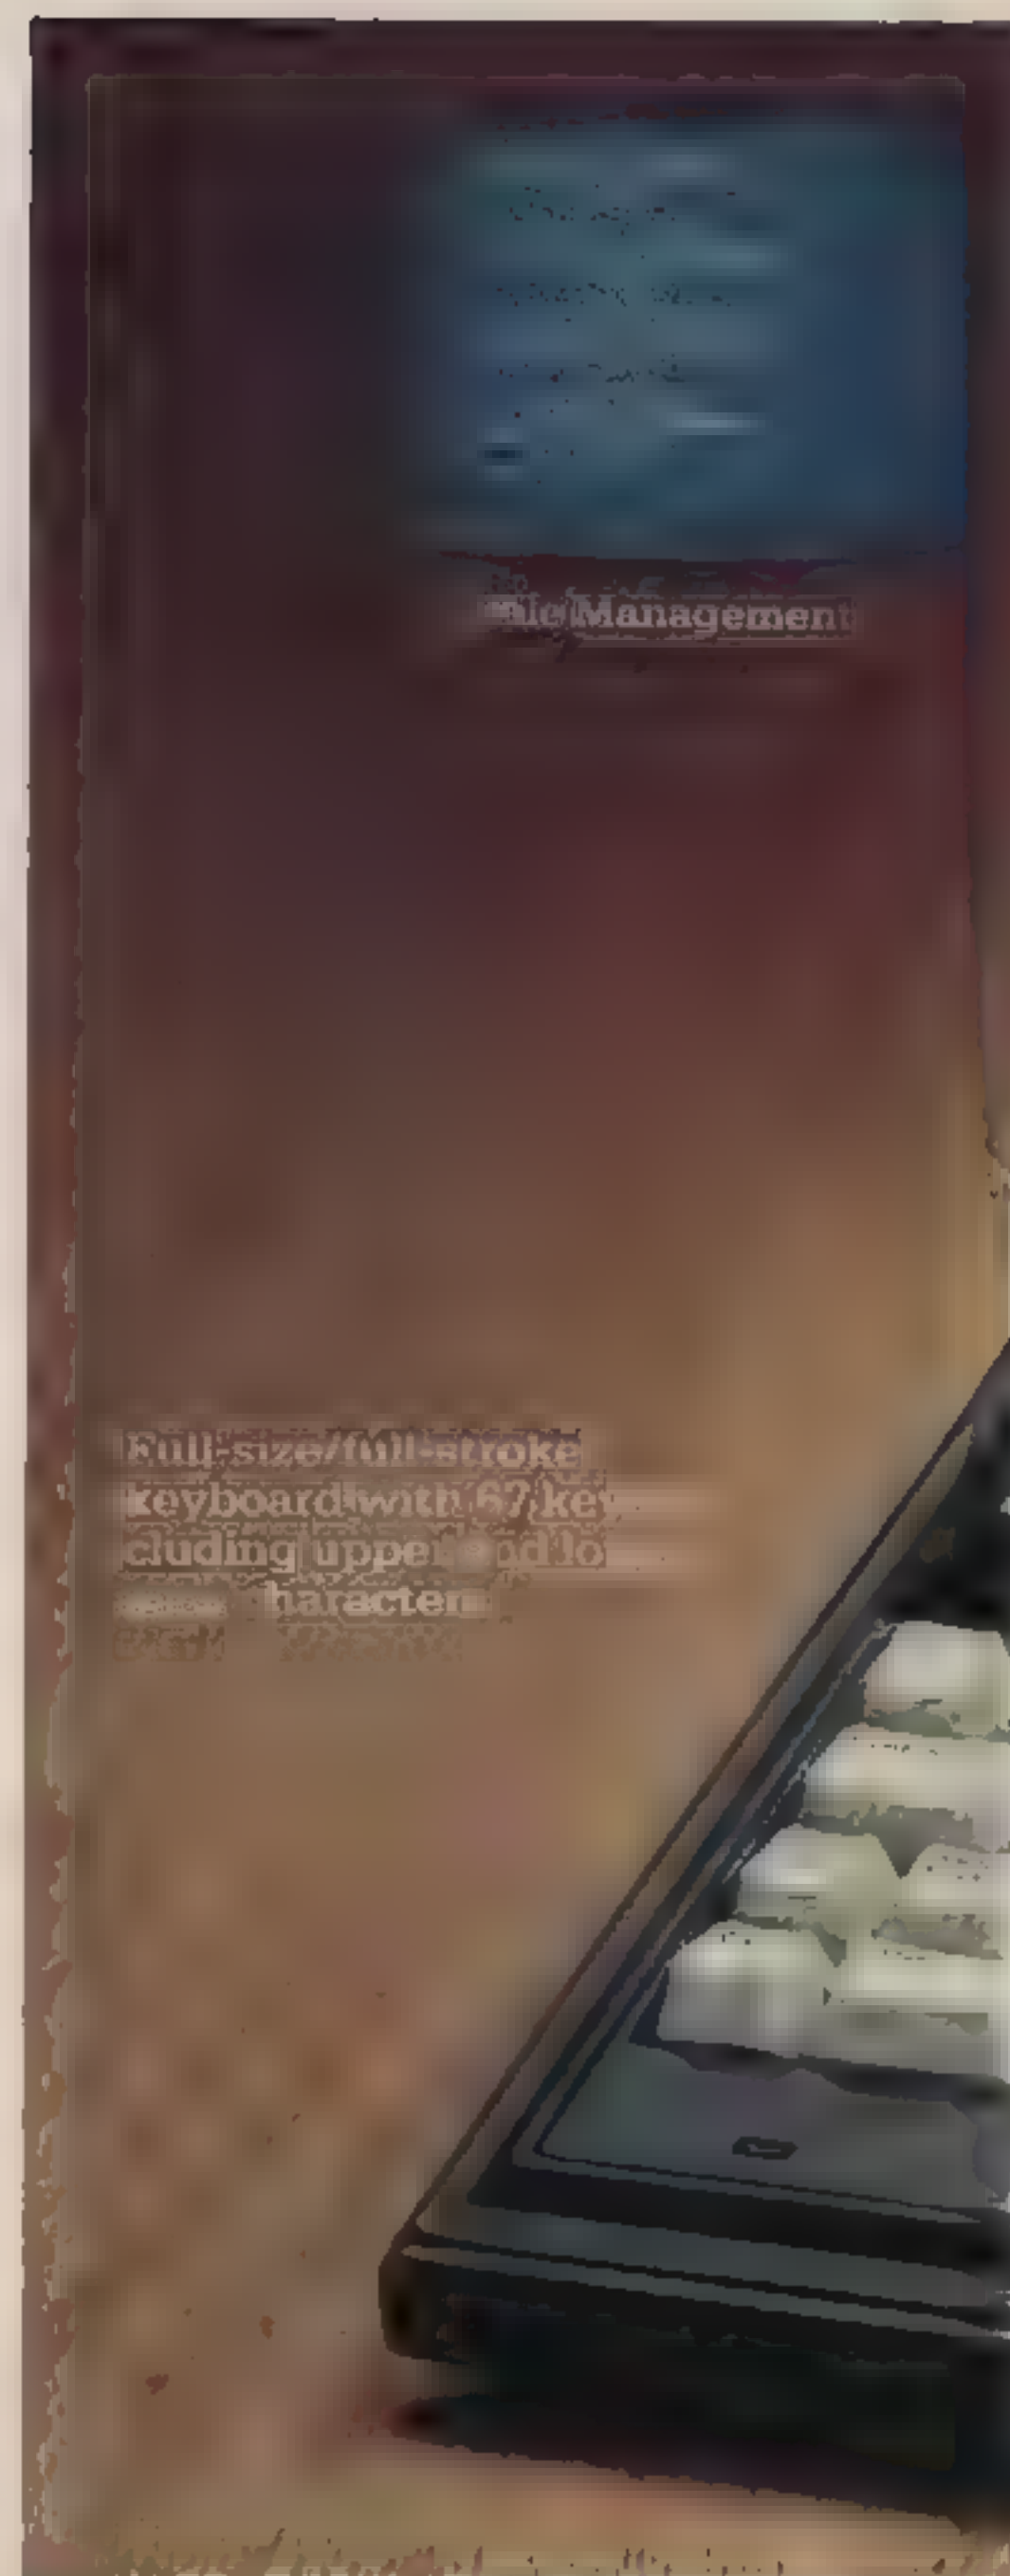

Setting up is simple and takes only a minute. Just remove the front panel, connect cables to computer and keyboard, plug in and it's ready to run. Large bar-shaped handle swings down to form a front support which tilts up for better viewing. 14 1/2 in. wide x 5 in. high x 14 1/2 in. deep. Power requirements: 120 volts AC, 60 Hz. Manufacturer's Warranty.**

New! Canon introduces the T70 35mm SLR camera

A It's so easy to use! The T70's three programmed modes give you focus and shoot convenience plus creativity. For average subjects, the Standard program provides shutter speed and aperture for proper exposure under a wide range of lighting conditions. The Tele program emphasizes high speeds for action photography and to prevent blur with telephoto lenses. The Wide program emphasizes small apertures to increase depth-of-field, especially with wide-angle lenses.

The T70 features an electronic control system with LCD display. No more knobs and levers—touch-button controls set ISO, exposure mode, shutter speed and control all functions. The LCD read-out constantly displays critical information like ISO setting, frame counter position and program mode. Built-in Power Winder. With Canon U.S.A. warranty card. Mfr.'s Warranty.**

Magnavox audio disc player

G Magnavox compact digital laser beam disc player. Imagine no static, no crackling, no skipping—just pure sound, so close to a "live" performance. Unique single laser reads sound signals off the 4 1/4-inch discs. Signal is deciphered electronically to produce a pure audio signal with virtually no "wow" and "flutter". Its dynamic range is far greater than the 50 dB-range of conventional stereos. Channels are distinct since each one is digitally recorded.

And it's so easy to use! Just insert disc and touch a button! Automatic cueing "Go To" takes you to your desired track. "Search" button locates a particular passage within a track. "Repeat" repeats the same track. "Pause" stops disc instantly; press again and music resumes exactly where it stopped. "Memory" lets you program up to 16 tracks—ready for recall. Connects to any sound system. 3 in. high x 12 1/2 in. wide x 10 1/2 in. deep. UL listed. Write for free copy of Mfr.'s Warranty, see page 497.
